

International Council of
the Aeronautical Sciences

ICAS Honorary Fellow

*Dimitri Mavris
United States*

President: 2023-2024

Programme Committee Chair: 2021-2022

Programme Planning Sub-Committee Chair: 2018-2021

Strategic Planning Subcommittee, Chair: 2012-2018

Executive Committee Member: 2012-Now

Programme Committee Member: 2002-Now

Dimitri Mavris is a Distinguished Regents Professor in the School of Aerospace Engineering at the Georgia Institute of Technology, where he also serves as the Director of the Aerospace Systems Design Laboratory. He earned his B.S., M.S., and Ph.D. in Aerospace Engineering from Georgia Tech. Prof. Mavris' expertise is in analysis, design, and architecting of complex systems. During his career, he has pioneered multi-disciplinary design integration and optimization, system architecting, probabilistic design, quantitative technology forecasting, and design space exploration. Prof. Mavris is a Fellow of the American Institute of Aeronautics and Astronautics (AIAA) and a Fellow of the Royal Aeronautical Society. He currently serves on the AIAA Board of Trustees.
